RE: Notice of Intent to Award Contract, dated October 22, 2007 ("Notice of Intent to Award"), pursuant to RFP SJN-0801 – Nursing Peer Health Assistance or Nurse Alternative to Discipline Program ("RFP")

Dear Ms. Derozier:

Please be advised that the above referenced RFP and the subsequent Intent to Award Letter which was sent to you has been cancelled. A post review of the RFP by the Department of Regulatory Agencies ("DORA") revealed that the RFP failed to include new applicants for registered nursing and practical nursing licenses. In addition, the final decision of the evaluation committee was based on incomplete information. After consultation with the State Attorney General's office, DORA has decided to modify the RFP and re-post as soon as possible.

The Notice of Intent to Award advised you that the issuance of such Notice by DORA did not create a property right or entitlement. The October 22, 2007 Notice stated: "You have not yet been awarded a contract. No property interest of any nature should be construed from this notice. No interest will accrue until the contract is signed by all parties and is fully executed."

We appreciate the time and effort that CNHP has put toward responding to the above RFP and apologize for any inconvenience caused by its cancellation. We encourage you to resubmit a proposal in response to the modified RFP when it is re-posted. I will let you know when the revised RFP is posted on BIDS.
